

## Small Learning Unit (SLU)

### Podcast

Content and Medium: The idea is to motivate learners to speak (in different languages e.g.). With a microphone and a computer everybody can make audio-data in an easy way. By hearing making a podcast, the learner can also learn to work in groups and how to reflect their spoken texts.

#### Following the 5 steps model for SLU:

1. Start / Attraction:  
It's an easy way to your own audio-data on your pc or mobile phone. A podcast can be made with any kind of microphone, anywhere.
2. Contents & Conditions:  
Free knowledge and reflection of speaking; practical use
3. Action:  
You have to speak-in texts you produced or being spontaneous.
4. Feedback / Response:  
Feedback from the auditions; self-reflection
5. Resume / Share:  
Easy to share via internet, e.g. with youtube
